

### Pair-work skit

Class	No.	name
-------	-----	------

(partner's name)

You will create a pair-work skit and have a performance in front of your classmates. Of course, any idea is OK, but it should be **unique and funny**. Please use as many expressions you learned as possible. You must use the phrase **"stand for."** The more natural sounding and easy to understand your skit is, the better your grade will be. You must **memorize** your lines. You cannot read your memo. Let's enjoy ourselves!!
